The Eastwood represents outstanding luxury and design, and a pinnacle of building quality and features.

The lower floor combines an outstanding master suite with a massive his and hers walk-in robe that flows through to the large ensuite with twin vanities.

Carrying down the impressive hallway we find a beautiful designed sunken home theatre area that includes recessed ceilings, viewing windows to living areas and is the perfect place to relax after a hard day's work and to enjoy time with your family.

The main living area includes a large family room and dining area overlooked by the exquisite kitchen with huge cupboard space and separate scullery.

One of the unique features of the Eastwood is the seamless transition to the outdoors. The massive alfresco area includes its own benchtops that flows directly through from the kitchen. Access is also made easy with a separate
